Profile of Tomohisa Nagai

Since the establishment of TED ASSOCIATES Co., Inc. in 1985 as an architecture design office, we have expanded our business to an interior design, a graphic design, and also to a products design. Presently, we are mainly focusing on the administration and consultation of the integrated environmental design. The up-to-date design, and the ever lasting space creation, are our public commitments.

海外デザイナーとの交流も多く、彼等の日本への招聘ならびにコーディネート、協力デザイン業務等を積極的に行っている。
